

# **2D GUI HUD CREATOR**

## **END USER LICENCE AGREEMENT (EULA)**

## **COPYRIGHT**

All copyrights to 2D GUI HUD Creator (“SOFTWARE”) and artwork (“ARTWORK“) are exclusively owned by Something2Play Limited (“COMPANY”). All rights not expressly granted here are reserved by the COMPANY.

This SOFTWARE and ARTWORK contained within are protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The SOFTWARE and ARTWORK is licensed to you on a non-exclusive basis and not sold.

## **GRANT OF LICENSE**

(Installation and use)

Installing and using the SOFTWARE indicates your acceptance of the terms and conditions of the EULA.

If you do not agree to the terms of this EULA you must remove the SOFTWARE from your storage devices and cease to use the product.

Upon your acceptance of this SOFTWARE licence agreement, the COMPANY grants you a non-exclusive, non-transferable, limited license to install and use a copy of the SOFTWARE on your computer, up to the permitted number of computers shown (please refer to LICENCE TYPES). Between you and the COMPANY, files created and generated ARTWORK that are authored or created by you via your utilization of the SOFTWARE, in accordance with the terms of this SOFTWARE licence agreement, are licensed to you, on a non-exclusive basis.

(Full version)

In order to use the SOFTWARE for your commercial and non commercial purposes, you must buy and activate the SOFTWARE product via the official website or official partners listed within this End User Licence Agreement (“EULA”), or our website.

Your purchase and activation of the SOFTWARE gives you the following non-exclusive rights:

- 1) To install and use the SOFTWARE and ARTWORK for commercial and non-commercial purposes, within the confines of the SOFTWARE EULA.
- 2) To download free updates.
- 3) To be informed of updates, and other products and promotional offers by e-mail.

On registering on our website and purchasing your copy of the SOFTWARE, you will receive a download link for the full version and a registration code to activate the SOFTWARE.

## **TRIAL**

Where a limited trial version has been provided, it is intended solely for evaluation purposes only. Any artwork produced or modified by the SOFTWARE in part or whole may not be distributed within a game.

## **ARTWORK ROYALTIES**

By using the ARTWORK created or generated using the SOFTWARE in part, or whole within the game or games that you create, you pay NO ARTWORK ROYALTIES to the COMPANY.

## **LIMITATIONS**

(General)

You may only use the ARTWORK created with the SOFTWARE for use in your own game or games. You may not produce ARTWORK for 3<sup>rd</sup> party games or companies without the 3<sup>rd</sup> party obtaining a licence and being made aware of the EULA and COPYRIGHT notices. Failure to do so will be in breach of the EULA and will result in your licence being terminated.

You may not distribute or package ARTWORK created with the SOFTWARE to create content packs or resources without a written agreement from Something2Play Limited.

(Reverse Engineering)

You may not use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, or otherwise reverse engineer the SOFTWARE, or any of its parts, except as provided by this EULA. Any such unauthorized use will result in immediate and automatic termination of your EULA and may result in criminal and/or civil prosecution.

(Licence Transfer )

Transfer of your licence is not possible and cannot be assigned to any other party. You may not share your licence code with another person or company, or install it on a second machine without purchasing a separate licence.

(Backups)

You may create a copy of the SOFTWARE on an external device for backup purposes only.

(Distribution)

You are not allowed to copy or distribute the SOFTWARE, ARTWORK created or exported to the public or otherwise exploit (on either a commercial or non-commercial basis) any part of the SOFTWARE or ARTWORK other than within and as an integral part of your game.

(Screenshots & Videos)

You may show screenshots and videos of the ARTWORK created, but only if they are shown within your game. Creating raw screenshots of exported artwork and showing them publicly is not permitted, as this may result in 3<sup>rd</sup> party copyright theft.

## **LICENCE TYPES**
